

Chess Bow Competition 2022 in Eggenburg

This year, for the first time, the international Chess Archery Competition took place at the “Mittelalterfest in Eggenburg”. Together with the Chess Club Eggenburg, the archery club Primitive Archery and the Chess Sports Association CSA, this tournament was held as a chess-sport combination competition with lively participation.

The award ceremony was held by City Councillor for Culture Margarete Jarmer. IM Harald Schneider-Zinner was able to take the first prize, a professional bow equipment, in front of the local heroes Moritz Pernerstorfer and Max Pernerstorfer.
