

3D Chess

**at the Kunsthaus Laa in cooperation with the
ChessSports Association**

On January 14, the youth champion Klara Schirmbeck and the Bundesliga player Stefanie Schirmbeck on the 3D board of the artist Werner Bäumler - Laurin. The audience learns a lot about the unifying character of chess and art - across language barriers and generations. They also get numerous impressions of how art and chess helps children, young people and seniors to live a fuller life. Afterwards, the audience is invited to play.

**Saturday, January 14 at the
Kunsthaus Laa**

**14:30 - 16:30 Room chess to watch and play
2136 Laa an der Thaya, Bürgerspitalgasse 1**
